

The MIVO Foundation is a 100% voluntary non-profit organization from the USA that provides orthopedic care to the Haitian people. Currently MIVO sends a team of medical professionals and non-medical volunteers from the USA to the MIVO clinic in Haiti 4 times per year to perform surgeries and other procedures. The clinic is open year round with a full time dedicated staff of Haitian nurses.

MIVO has served more than 7060 Haitian patients and completed 294 orthopedic surgeries since it was founded in 2009. This would not be possible without all of our donors and volunteers. We thank you for your support. All proceeds from this outing benefit the MIVO Orthopedic Clinic. Check out our website at www.mivofoundation.org for more information.

MIVO Foundation

The MIVO Foundation's mission is to serve the people of Haiti by offering treatment options for orthopedic problems. Consistent with a Christian faith, we believe these problems are physical, emotional and spiritual illnesses. Through Christ-centered care, we integrate these aspects of life to enhance a path to recovery, offering hope from a biblical perspective.

To learn more about MIVO, check out our website at www.mivofoundation.org.
